

ISONIKE Ltd Launches ESG Management System Certification Scheme

We are pleased to announce the launch of the ESG Management System Certification Scheme by ISONIKE Ltd, a leading international Conformity Assessment and Certification Body. This new initiative underscores our commitment to fostering sustainable business practices and supporting organizations in their journey towards environmental, social, and governance (ESG) excellence.

About the ESG Management System Certification Scheme

The ESG Management System Certification Scheme is designed to help organizations demonstrate their commitment to sustainable practices and responsible governance. By achieving this certification, companies can showcase their dedication to ESG principles, which are increasingly becoming a cornerstone for business success, investor confidence, and stakeholder trust.

Why Choose ISONIKE Ltd for ESG Certification?

ISONIKE Ltd, accredited by the Hellenic Accreditation Services (ESYD), brings a wealth of experience and expertise in management systems certification. Our new ESG certification scheme is tailored to equip organizations with the necessary tools and frameworks to effectively integrate ESG considerations into their operations. This certification not only enhances marketability and employability but also positions companies as leaders in sustainable business practices.
